Thursday 4 May 2006:

**THE PREMIER APPOINTS NEW
BUSINESS AMBASSADORS**

Last night, Her Excellency Marjorie Jackson-Nelson AC CVO MBE Governor of South Australia, hosted a reception at Government House to officially announce and welcome new Business Ambassadors for the State of South Australia.

The Hon Patrick Conlon MP (Minister for Transport, Infrastructure, & Energy) representing the Premier the Hon Mike Rann, acknowledged Her Excellency's hospitality and generous support of the SABAN program.

Grateful acknowledgement was also made to SABAN sponsors, supporters and program partners: CSM Technology, National Pharmacies, Malaysia Airlines, The Department of Trade & Economic Development (represented by Director of Trade, Mr Wayne Parham) and finally to **Business SA** and its CEO, Mr Peter Vaughan, for its generous contribution in housing the South Australian Business Ambassadors Network through Business SA's International Business Unit – a natural fit for a truly international program.

USA: The Hon John Olsen – Australia's Consul General, New York. As Premier Mr Olsen was responsible for setting up the Ambassadors Network and he is delighted to accept his appointment and will continue to eagerly promote SA as the right place to live, visit, work, invest, be educated and do business!

In London, South Australia's Agent General will be officially presenting our new UK based ambassadors at an event at Australia House on **28 June**.
